

## AcquiLite Firmware changes through v1.09.0811.

The firmware for the A7801 released in August 2009 has a minor update detailed below. This document includes firmware change logs for releases prior to v1.09.0811 and after v1.09.0310. The firmware update is provided at no cost.

### List of changes in v1.09.0811:

- Revised firmware version to v1.09.0811 for release.
- Fixed problem with upload duration timer that caused the A7801 to reboot on startup if the device was recently upgraded to version v1.09.0310, the log storage memory is full, and uploads are failing for communications reasons.
